APPENDIX D

List of Technical Memoranda and Other Supporting Documents
Appendix D: List of Technical Memoranda and Other Supporting Documents

List of Technical Memoranda Prepared for this Project

This Tier 2 Final Environmental Impact Statement (Tier 2 FEIS) includes summary information from the technical memoranda prepared for the Newberg Dundee Bypass project. The full technical memoranda are longer and more detailed than their respective sections in this Tier 2 FEIS. Technical memoranda prepared after the release of the Tier 2 DEIS include additional environmental analysis for the Preferred Alternative and present information on the new areas of Phase 1 of the Preferred Alternative.

Copies of the memoranda are available in electronic format (CD) upon request from:

Kelly Amador, Senior Project Leader
Region 2 Oregon Department of Transportation Mid-Willamette Valley Area
885 Airport Road SE, Building P
Salem, OR 97301-4788
kelly.l.amador@odot.state.or.us
Phone: (503) 986-2874

The memoranda are available for review at the following locations:

- Newberg Public Library at 503 E Hancock Street, Newberg, Oregon (printed and electronic)
- Oregon State Library at 250 Winter Street NE, Salem, Oregon (electronic only)
