ODOT schedules design workshop for Rex Hill, Garland Road areas of Oregon 99W

SALEM—The Oregon Department of Transportation has scheduled a Newberg-Dundee Bypass design workshop focusing on Oregon 99W from the Rex Hill Winery to Garland Road. The workshop will be held on Thursday, December 7, from 5 to 8 p.m., at the Newberg High School Commons, 2400 Douglas Avenue, in Newberg.

At the workshop, ODOT staff will share information about local area access focused on the northern end of the Bypass project on Oregon 99W from the Rex Hill Winery to Garland Road. The public is invited to attend and ask questions.

To learn more, visit the project web site at www.newbergdundeebypass.org.
