Three-day closure planned for Evergreen Road

Upcoming Evergreen Road (north of OR 214) closure

Evergreen Road, north of the intersection with OR 214 (Newberg Hwy) in Woodburn, will be closed to traffic beginning at **6:00 a.m. Monday, June 9 and tentatively reopening at 6:00 a.m. Thursday, June 12.** Work is anticipated to take three days, but the closure may continue to a fourth day if additional time is required to complete the work. The closure is necessary to safely rebuild the intersection at Evergreen Road and OR 214.

During the closure, motorists will be detoured using Country Club Rd. and Country Club Ct. **Access to all businesses will remain open during the road closure.** Motorists should follow the detour signs and look for the blue “business access” cones to reach businesses in the closure area.

The **Woodburn Interchange and Transit Facility project** is addressing both traffic flow and safety concerns in the busy interchange of I-5 and Oregon 214/219 by constructing a variety of improvements.

**Where can I learn more about the project?**

- Sign up for regular email updates!
- See current traffic updates
- Check the project schedule
- View live streaming video of construction activity
- Read the latest project news

**Who do I contact with additional questions?**

Call the project hotline at 1-888-752-9658 and leave a message 24 hours a day and a project team member will return your call.

Or send an email to woodurn@oregonjta.org.
