You are invited to a public open house
Join us at a community open house to learn more about the project construction and meet the team.

May 7, 2013 - 4:30-7:00 p.m.
Woodburn Health Center
(Formerly Wellspring), Oak Room
1475 Mt. Hood Ave.

Usted está invitado a reunión pública
ODOT le invita a asistir a una reunión pública para aprender sobre la construcción de este proyecto y conocer al equipo.

Martes, 7 de mayo - 4:30 p.m. - 7:00 p.m.
Woodburn Health Center
(anteriormente Wellspring), Oak Room
1475 Mt. Hood Ave.
Interpretación al español serán disponibles.

To continue receiving project updates please join our mailing list at www.WoodburnInterchange.com
Construction Begins in July
ODOT will begin construction on the Woodburn Interchange and Transit Facility project this summer. The project is addressing both traffic flow and safety concerns in the busy interchange of I-5 and OR 214/219. Improvements include:
- A reconstructed interchange over I-5 with gateway design enhancements
- Evergreen Transit/Park and Ride facility
- Evergreen Rd. extension
- Sound walls
- OR 214/219 improvements

Business Access and Night Work
Access to all businesses and residences will be maintained during construction. Travel lanes on OR 214/219 and the I-5 interchange will remain open during daytime hours. However, construction activity may slow down the normal flow of traffic. Any lane closures will occur at night. Nighttime work will take place through most of the construction and will help to reduce daytime traffic congestion.

Get the Latest Information
There are many ways to stay informed about the project:
- **Attend the open house meeting** in May (see reverse for details)
- **The project web site** is the best and most up-to-date source of information once work begins: [www.WoodburnInterchange.com](http://www.WoodburnInterchange.com)
- **TripCheck** – Once construction begins [www.TripCheck.com](http://www.TripCheck.com) or Call 5-1-1

Contact Us
Call the project hotline at 1-888-752-9658 and leave a message 24 hours a day. A project team member will return your call. Or send an email to woodburn@oregonjta.org.
